Execution of this Agreement is mandatory for participation in the  
California Student Aid Commission's Cal Grant Program.

## ARTICLE I – Cal Grant Program Administration - Participation

The California Student Aid Commission (“Commission”) and \_\_\_\_\_, hereafter referred to as the “Institution,” agree to the terms contained in this Institutional Participation Agreement (Agreement).

This Agreement governs the terms and conditions of the Institution’s eligibility to participate in the Cal Grant Program. An Institution’s failure to comply with the administrative, fiscal and information security responsibilities set forth in this Agreement may result in the termination of the Institution’s Agreement.

This Agreement applies only to the campus(es) indicated on this Agreement as listed in Article IX. A new Agreement is required for the addition of any added campus(es).

This Agreement shall terminate and the Institution’s participation in the Cal Grant Program shall end on the date of any shift in control or change of ownership as defined in Article VIII. If the new controlling party or new owner wishes to continue Cal Grant participation, a new Agreement must be completed and executed.

In the event of any inconsistency between any of the provisions of this Agreement and applicable federal or state law or regulation, the law or regulation shall prevail over the conflicting provision and the remaining provisions of this Agreement shall remain in full force and effect.

## ARTICLE II – Cal Grant Program Administration – General Provisions

- A. The Institution understands and certifies that it is a qualifying institution as set forth in California Education Code (CEC) 69432.7(l) and that it shall be deemed disqualified if it no longer possesses all of the requirements for a qualifying institution. The Institution shall immediately notify the Commission whenever it fails to meet the minimum qualifications for participation as set forth in CEC 69432.7(l).
  - 1) An institution that no longer meets the definition of a qualifying institution will have its Agreement terminated effective the last day of the award year for which it met the definition of a qualifying institution. The Institution shall be required to reconcile all outstanding Cal Grant transactions and return any unused funds no later than ninety (90) calendar days following termination.
  - 2) Should the Institution regain its status as a qualifying institution, the Institution must execute a new Agreement prior to participation in the Cal Grant Program.
- B. The Institution agrees to maintain standards of administrative capability and financial stability in accordance with federal and state law and regulations. Refer to the Cal Grant Program Handbook.
- C. The Institution agrees to use and retain program and fiscal records (refer to Appendix A: Program and Fiscal Records) that demonstrate Institutional and student eligibility, and that document the accuracy of the grant payments reported and the right of the Institution to receive or retain payments made by the Commission. The Institution shall retain these records for a period of three (3) years following the last day of the academic year for which the grant was intended or until outstanding audits are resolved.

- D. The Institution shall maintain written policies and procedures governing the administration and processing of Cal Grant funds under this Agreement.
- E. The Institution agrees to use Cal Grant funds transferred to it solely for the purposes specified, and in accordance with the provisions set forth in the respective program statutes, federal and state regulations and procedures, the Cal Grant Program Handbook including handbook updates, Grant Operations Memos (GOM), Grant Special Alerts (GSA), and this Agreement.
- F. The Institution acknowledges that no Cal Grant funds are authorized for a fiscal year until such time as the fiscal year's budget has been adopted by the Legislature and signed by the Governor. It is further understood that if such funds are not approved for a fiscal year, the State and the Commission shall be relieved of further payments and this Agreement will be canceled; if proposed funding amounts are reduced, this Agreement is limited to the approved amounts only.
- G. The Institution agrees to maintain a current designation of individuals in Grant Delivery System (GDS) and the WebGrants System (WebGrants) who are responsible for coordinating and communicating with the Commission on matters related to the provisions of this Agreement. Changes to staff that administer Cal Grant Program must be updated within fifteen (15) calendar days of occurrence.
- H. The Institution agrees to make available at the time of program compliance review, or at any time at the request of the Commission staff, any records and personnel related to the administration of the Commission's Cal Grant Program.
- I. The Institution agrees that it is subject to and must comply with all current and applicable federal and state law regulations in its implementation of the terms of this Agreement. The Institution agrees that noncompliance with any of these provisions may result in the termination of this Agreement and the privileges that are afforded under it.
- J. The Institution agrees to provide the Commission with copies of all consortium and contractual agreements between the Institution and any other institution or organization, whether eligible or ineligible for federal student aid, attended by Cal Grant recipients and for which the Institution receives Cal Grant funds, as needed for purposes of conducting a program compliance review.
- K. As a condition for its voluntary participation in the Cal Grant Program, the Institution shall annually report to the Commission, as specified in regulations adopted by the Commission, data for its undergraduate programs. [CEC 69433.2]
- L. An Institution that is required to provide notice of suspected fraud under State Administrative Manual (SAM) section 20080 shall concurrently notify the Commission of suspected fraud if the activity involves Cal Grant students or funds.

### **ARTICLE III - Cal Grant Program Administration - Account Maintenance - Institutional Responsibilities**

- A. Administration of the Cal Grant Program is an Institution-wide responsibility. Student information in the possession of any office or division of the Institution constitutes information in the possession of the Institution. The Institution agrees to manage and coordinate information on Cal Grant funds and Cal Grant recipients, among all offices (i.e.

financial aid office, accounting/bursar's office, registrar's office, admissions office, third party servicers, district and county offices, etc.).

- B. The Institution agrees to maintain a current designation of individuals who are responsible for Cal Grant account maintenance through adherence to Generally Accepted Accounting Principles (GAAP). The Institution also agrees to maintain a separation of function/duties between individuals who authorize and disburse Cal Grant funds so that no one individual is responsible for both functions.
- C. The Institution agrees to maintain an accounting system that conforms to GAAP that includes such items as, but is not limited to, cash receipts and disbursement journals, bank account reconciliation, evidence of receipt of Cal Grant funds, disbursement of Cal Grant funds to recipients, and all other accounting records necessary to account for all transactions. All Cal Grant funds must be properly recorded and allocated to the appropriate award year for which the funds were advanced and disbursed.
- D. The Institution agrees that all Cal Grant funds, including term advances transferred by the Commission pursuant to CEC 69432.8, constitute State funds, owned by the State, and held in trust for the State, until the funds are withdrawn to be paid as an award for an eligible Cal Grant recipient or as otherwise directed by the Commission.
  - 1) Institutions may hold Cal Grant funds in a separate bank account or may commingle Cal Grant funds with funds from other sources, but must identify the Cal Grant funds through a subsidiary ledger.
    - a. Absent a separate bank account, the Institution must ensure that its accounting records clearly reflect that it identifies Cal Grant funds as readily as if those funds were in a separate account; and
    - b. The Institution must identify earnings on Cal Grant funds in the Institution's bank or investment account.
    - c. The account(s) in which Cal Grant funds are held must be an interest-bearing account, an investment account, or an equivalent account at a financial institution with a presence in California whose accounts are insured by the Federal Deposit Insurance Corporation.
    - d. The Institution must confirm that the account(s) used in which Cal Grant funds are held is interest bearing when establishing, updating, or during the Agreement renewal process. Confirmation of an interest bearing account is a letter from the banking institution on the bank's letterhead indicating such or a copy of the account statement.
  - 2) Annual interest earned on Cal Grant funds constitute State funds and must be remitted to the Commission on behalf of the State no later than March 1 following the calendar year for which the interest accrued (e.g. March 1, 2018, for calendar year 2017).
  - 3) Institutions shall calculate interest on Cal Grant funds in the same manner used by its financial institution or investment pool. If a negative balance exists as a result of the Institution paying recipients in excess of the Cal Grant funds available for disbursement, the Institution shall not adjust or otherwise offset its Institutional expenses against interest earned on Cal Grant funds.

- 4) The Institution agrees that no bank fees, unearned interest on Institutional funds (i.e. “negative interest”), or other cost shall be deducted nor offset against the interest earned by the advance of State funds for the Cal Grant Program.
- 5) Institutions have a fiduciary responsibility to ensure that State funds are used only for the benefit of eligible students. Under no circumstances may the Institution use State funds for any other purpose, such as:
  - a. Paying operating expenses
  - b. Collateralizing or otherwise securing a loan
  - c. Earning interest or generating revenue in a manner that risks the loss of State funds
  - d. Subjecting State funds to liens or other attachments (such as certain overnight investment arrangements or sweeps).
- E. Should the Institution close, lose federal financial aid eligibility, no longer meet the statutory definition of a qualifying institution, or if this Agreement is terminated, the Institution agrees to return any undisbursed funds or pay any outstanding invoices immediately and remit any interest earned on those funds.
- F. The Institution shall not request additional State funds from the Commission until the initial term advance funds are disbursed to eligible Cal Grant recipients enrolled in the Institution.

#### **ARTICLE IV – Cal Grant Program Administration – Disbursement – Institutional Responsibilities**

- A. Institutions with a main campus outside of the State of California agree to identify which of the Institution’s California campuses the Cal Grant recipients attend and report this information to the Commission when requested.
- B. The Institution agrees to confirm that the recipient meets all eligibility and program requirements specified in the CEC, applicable regulations, this Agreement and the Cal Grant Program Handbook at the time Cal Grant funds are paid to the recipient or the recipient’s account.
  - 1) The recipient is a U.S. citizen or an eligible noncitizen [CEC 69433.9(a)], or after January 1, 2013, the recipient meets the eligibility requirements specified in CEC 68130.5.
  - 2) In the case of a recipient without lawful immigration status, after January 1, 2013, the Institution must maintain an affidavit executed by the recipient stating that the recipient has filed an application to legalize his or her immigration status or will file an application as soon as he or she is eligible to do so unless the recipient is a U Visa holder. [CEC 69508.5, 68130.5] For those recipients attending more than one institution or who transfer between institutions, each institution is required to maintain an affidavit in its records.
  - 3) The recipient has met U.S. Selective Service requirements. [CEC 69433.9(b)]

- 4) The recipient is not in default on any Title IV educational loan or does not owe a refund on any Title IV grant (e.g. Federal Pell or Federal Supplemental Educational Opportunity Grant) or any State grant program administered by the Commission. [CEC 69507.5 and 69433.9(d)]
- 5) The recipient is not incarcerated. [CEC 69433.9(c)]
- 6) The recipient meets the California State residency requirements for at least one year as of the residence determination date with the exception of those students eligible under CEC 68130.5.
  - a. The residence determination date may be established by one of the following:
    - i. If the governing board of a public institution has adopted by regulation or policy, a residence determination date [CEC 68023], that date shall be used for Cal Grant purposes.
    - ii. The residence determination date for Cal Grant purposes shall be either the first day of instruction of the term for the award year in which the student is enrolled as a Cal Grant recipient, or the date the Commission uses to make the preliminary determination of California residency for purpose of offering a Cal Grant.<sup>1</sup>
  - b. Public institutions shall use the procedures or rules and regulations instituted by their respective governing boards for determining California residency, including resolving conflicting information in the possession of the Institution. [CEC 68044]<sup>2</sup>
  - c. Non-public institutions may adopt the regulations in 5 California Code of Regulations (CCR) 54020 and 54024 or they may develop and document their own policy which is consistent with 5 CCR 54020-54024 and CEC 68060-68062, including the resolution of conflicting information in the possession of the Institution.<sup>2</sup>
  - d. Conflicting residency information may include indicators on the Institutional Student Information Record (ISIR) such as:

    - iv. Date of residence not more than a year prior to residence determination date
    - v. (If minor) parent's state of address not California,

---

<sup>1</sup> Institutions shall apply the same residence determination date(s) to all their students uniformly.

<sup>2</sup> The Commission acknowledges the validity of differing residency requirements among the segments of California postsecondary education. Nevertheless, the Commission strongly recommends that in the case of a student who has been determined to be a resident, has received a Cal Grant, and then transfers to another California postsecondary institution, that institutions NOT REESTABLISH residency requirements only in relation to the reception of the student's Cal Grant.

- vi. (If minor) parent's date of residence not more than a year prior to residence determination date, or
  - vii. Any other information available at the Institution, which shows inconsistency with a claim of California residency.
- 7) The recipient meets the requirements set forth in CEC 68130.5(a)(1) and (2), or other similar requirement adopted by the Regents of the University of California for purposes of determining whether a student is exempt from paying nonresident tuition based on their attendance at a California high school or equivalent thereof. [CEC 69508.5]
  - 8) The recipient is enrolled in an eligible program or course of study. [CEC 69433.5(e)]
  - 9) The recipient does not have a bachelor's or professional degree before receiving a Cal Grant (except for post baccalaureate students enrolled in teaching credential programs). [CEC 69433.5(d)(2)]
  - 10) The designated recipient's participation in an eligible post-graduate teaching credential or mandatory 5th year program is approved by the Commission. [CEC 69433.6(c), 69433.6(d)(1)]

  - 13) The recipient with a new or renewal award has family income and assets at/below the published Cal Grant ceilings. [CEC 69432.7(k)]
  - 14) The recipient is complying with the Institution's federal Title IV satisfactory academic progress policies. [CEC 69433.5(a)]
  - 15) The California Community College Transfer Entitlement recipient randomly selected for verification pursuant to CEC 69436(d)(3)(B) meets eligibility criteria.

#### C. Disbursement of Cal Grant Funds

- 1) Establish and maintain a written disbursement policy for each educational program, if different from the standard disbursement policy used by the Institution. Each participating Institution must have a published term-by-term calendar identifying the Institution's course "add/drop" and/or financial aid enrollment census dates or the equivalent and must produce the written calendar upon request.
  - a. Report payment transactions through GDS, WebGrants or data files as early as practicable, but no later than sixty (60) calendar days following the end of the payment period or the final determination of eligibility.
  - b. Report payments within fifteen (15) business days of disbursement but no later than sixty (60) calendar days following the end of the term.

- c. Disburse Cal Grant funds to eligible recipients within fifteen (15) business days of determination of enrollment status when Cal Grant funds are available in the Institution's account.
  - d. Disburse no more than that which the recipient is eligible to receive per payment period. The award to a half-time or three-quarter-time recipient shall be prorated based on the participant's enrollment status. [CEC 69433.5(b), CEC 69432.7(f), CCR 30004]
  - e. Disburse Cal Grant payments based on the recipient's enrollment status using the Institution's add/drop date, financial aid census date, or its equivalent.
  - f. Any funds disbursed to a recipient in excess of that which the recipient is eligible to receive is considered an overpayment. Correct any Cal Grant overpayment and return the overage to the Commission, if necessary.
  - g. Make all disbursements and adjustments no later than the month of September, following the end of the award year (e.g. September 2018 for award year 2017-18).
- 2) The Institution must establish and publish a policy that informs Cal Grant B and Cal Grant C recipients of their disbursement options prior to receiving payment. These options include the following:
- a. Applying the "Access" or "Books and Supplies" portion to outstanding balances on the student's account, or
  - b. Request personal receipt of the funds prior to disbursement
    - i. The recipient must understand that he or she is responsible for any remaining balance on the recipient's account.
  - c. Having the ability to rescind option at any time.
  - d. The following text can be used by institutions to satisfy this requirement.
 

"Cal Grant B and Cal Grant C recipients may elect to receive the full disbursement of their "Access" or "Book and Supplies" awards to use towards educational expenses or have it applied to any outstanding balances on the student's account. By choosing the first option, Cal Grant B and Cal Grant C recipients are responsible to resolve any account balances with their institution. Please see your financial aid office for more information."
- 3) Establish and maintain a written Institutional Refund Policy which includes the disposition of Cal Grant funds to include the following:
- a. Cal Grant funds may not be used for reimbursement to the federal government.
  - b. The Institution must return Cal Grant funds to the Commission before refunding any other funding sources other than refunds of federal Title

IV program funds required by the Return of federal Title IV funds regulations.

D. Reconciliation of Cal Grant Funds

- 1) Establish a written reconciliation policy that details the procedures for reconciling Cal Grant funds received and disbursed by the Institution for each award year.
- 2) Payment Period Reconciliation
  - a. Institutions are required to reconcile payments no later than sixty (60) calendar days after the end of the payment period.
  - b. Reconciliation does not preclude adjustments or payments after that date.
- 3) Final Reconciliation
  - a. All Cal Grant funds must be properly recorded and allocated to the appropriate award year for which the funds were advanced and disbursed.
  - b. Institutions shall reconcile all award year Cal Grant funds received, and disbursed by the Institution no later than the month of September following the award year or an earlier final processing date as directed by the Commission.
  - c. The final reconciliation of Cal Grant expenditures is to be on a student-by-student basis for the payment period and award year.
  - d. Upon final award year reconciliation by the Institution, the Institution may, at any time prior to invoicing, repay any Cal Grant funds in excess of the reconciled amount to the Commission.
  - e. Upon final reconciliation by the Commission, if the Institution has any outstanding balances, the Institution shall be invoiced for those funds. The invoice shall be due and payable to the Commission within thirty (30) calendar days of the invoice date. The Institution agrees to resolve any reconciliation discrepancies with the Commission.
  - f. Any excess or undisbursed Cal Grant funds must be returned to the Commission upon final reconciliation or invoicing of the award year.
  - g. Cal Grant awards must be disbursed for the fiscal year appropriated based on the budget act of that fiscal year. Therefore, excess funds must be returned to the Commission.
  - h. Participating Institutions shall agree to pay any institutional liability that is determined as a result of a program compliance review within the time specified in the program review report.
  - i. Liability to the Commission for the Institution's actions or omissions under this Agreement shall not exceed the actual amount of Cal Grant funds that the Institution is not entitled to retain.

- j. Failure by the Institution to return Cal Grant funds that the Institution is ineligible to retain, after all appeals are exhausted or settled, may constitute noncompliance and may result in the termination of this Agreement and participation in the Cal Grant Program.
- E. Electronically submit annual College Cost Estimate to the Commission by the deadline specified.

- E. Act as the central repository of high school graduation confirmation received from a variety of sources, placing all new high school Entitlement participants on hold until receipt of confirmation that the student is, in fact, a high school graduate or the equivalent. (This does not absolve Institutions of the requirement under Article IV, Section B to resolve conflicting information.)

## ARTICLE VI – Cal Grant Program Administration – Information Security

The Information Security components of this Agreement are to control access to the Commission's information processing facilities and data by the Institution, as well as require (per Federal Trade Commission Safeguards Rule) certain levels of Information Security and privacy compliance for Institutions that access, retrieve, store, use, modify, or delete Commission data. For purposes of this Agreement, all non-public personal information, Personally Identifying Information and financial information shall be identified as "confidential information".

### **Information Security – Institutional Responsibilities**

The Institution will comply with all applicable federal, state, and local information security, confidentiality and privacy laws and regulations, Commission policies and requirements pertaining to the proper access, creation, modification, handling, storage, transfer, transmission, dissemination, sharing or destruction of confidential information maintained on the Commission's GDS or WebGrants and/or pertaining to the Commission, its programs, and its program applicants and/or recipients.

The Institution will additionally abide by the following requirements as a condition of access to the Commission's data and network. The Commission reserves the right to monitor or revoke access to the Commission's network and data by the Institution or individual staff member(s).

### **Institution's Administrative Authorization for Access and Roles/Responsibilities**

- A. The Institution will maintain a historical record that identifies to the Commission the individual(s) with access to the Commission's network or who creates or updates GDS WebGrants transactions with the Commission's data for three (3) years following the last day of the award year.
- B. The Institution will designate a single individual as the Authorized Official (AO), who will then designate a maximum of two other individuals as the Institution's System Administrator(s) (SA).

- C. The Institution's AO will grant authority to the Institution's SA(s) to create or disable individual user accounts for that Institution's staff to access the Commission's network and data. The AO shall not have authorization to access GDS or WebGrants.
- D. The AO and SA(s) will be required to submit an accurate and complete "Information Security and Confidentiality Agreement" and "System Administrator's Access Request Form" to the Commission before access to the Commission's network and data is granted. If the AO and SA(s) are different at each Institution location (campus), separate "Confidentiality Agreement" and "System Administrator's Access Request Form(s)" must be completed and sent to the Commission. Copies of this documentation shall also remain at the Institution.
- E. The "Information Security and Confidentiality Agreement" and "System Administrator's Access Request Form" must be renewed annually. All users including the AO and SA will lose access to the Commission's network and data if the Institution does not submit the renewal forms by June 30.
- F. Any change in the designation of the Institution's AO or SA(s) will require that a new "Information Security and Confidentiality Agreement" as well as new copies of the "System Administrator's Access Request Form" be sent to the Commission immediately. Copies of this documentation shall also remain at the Institution.
- G. The Institution's SA(s) will immediately inactivate the password and user identification (ID) numbers of any employee or agent of the Institution whose change in employment status or duties no longer requires access to the Commission's network or data. Such access will be granted for a period of time not to exceed one (1) year, and shall be renewed upon completion of either an annual Commission-supplied or Institutional-supplied training in areas of information security, privacy and confidentiality. Copies of this documentation shall remain at the Institution.

### **Essential Practices in Promoting and Implementing Information Security**

- A. Passwords and user IDs are to be treated as confidential information. Employees or agents of the Institution shall not share passwords and IDs. Passwords will be changed on a regular basis, as required by the Commission.
- B. Confidential Commission data or assets that are no longer required for use by the Institution, are not required for the Commission to conduct compliance reviews or are determined by the Commission to be subject to return or destruction, shall be returned or destroyed in a secure manner, ensuring that no reconstruction or derivation of the data, media or materials is possible according to the California Civil Code Section 1798 et seq; Government Code Section 6250 et seq. and the State Accounting Manual (SAM) Chapter 5300.

- D. The Institution will establish and enforce policies to ensure that Commission data and GDS or WebGrants access are conducted from secured systems on-site within the Institution, or via secure networks from offsite locations. Offsite locations shall have encrypted hard drives and storage devices and shall not provide a bridging capability from unsecured networks into Commission networks. Offsite access to GDS or WebGrants must be accessed through equipment authorized, owned, and managed by the Institution.
- E. The Institution will notify the Commission immediately of any security, integrity or confidentiality incident(s) involving Commission data or network exposure by contacting the Commission's ITS Help Desk at 1-888-294-0148. Such incidents may include, but are not limited to unauthorized or accidental modification, destruction, disclosure, loss, or access to automated files and databases, as well as incidents involving loss, damage or misuse of information assets. - F. No Commission data or assets shall be transferred to or shared by the Institution with any third party without express written permission by the Commission's ISO. Verification of individual data with the respective individual or their lawfully designated agent(s) is permissible.
- G. To the extent authorized by law the Institution will accept liability for any direct or consequential damages to the Commission, its network or data, caused by the negligence or intentional misconduct of itself, its employees or agents.
- H. The Institution will ensure that information transmitted electronically or otherwise to the Commission has been examined and is complete and accurate to the best of its knowledge.
- I. No unencrypted email containing confidential data shall be sent to the Commission.
- J. All storage media or electronically transferred correspondence sent between the Institution and the Commission containing confidential data must be encrypted or transferred via an encrypted communications session. Passwords, decryption devices, or decryption methods required to access the data must be sent separately via a different communications method.

### **Information Security – Commission's Responsibilities**

The Commission will comply with all applicable federal, state and local information security, confidentiality and privacy laws, regulations, Commission policies and requirements pertaining to the proper access, creation, modification, handling, storage, transfer, transmission, dissemination, sharing or destruction of confidential information pertaining to the Institution.

- B. The Commission shall require that passwords be changed on a regular basis.
- C. The Commission shall issue periodic communications to address Information Security concerns.
- D. The Commission will ensure that information transmitted electronically or otherwise to the Institution has been examined and is complete and accurate to the best of its knowledge.

- E. No faxes or unencrypted email containing confidential data shall be sent to the Institution.
- F. All correspondence transferred electronically or on storage media between the Commission and the Institution containing confidential data must be encrypted or transferred via an encrypted communications session. Passwords, decryption devices, or decryption methods required to access the data must be sent separately via a different communications method.
- G. The Commission will periodically audit the security-related records of the Commission and the Institution to ensure that proper levels of access to the Commission's data and networks by proper individual(s) identified by the Institution are correct, current and complete.

## ARTICLE VII – Corrective Measures

- A. If the Commission determines, whether through a program compliance review or other inquiry, that an Institution has failed to substantially comply with its obligations under this Agreement, the Commission may take action to implement corrective measures in an attempt to bring the Institution into compliance with this Agreement. Corrective measures which may be implemented include, but are not limited to:
  - 1) The Commission may require that the Institution implement policy or procedural changes to ensure appropriate administration of Cal Grant Program and protection of State funds.
  - 2) The Commission may require that the relevant Institution staff participate in and complete training related to areas of noncompliance.
  - 3) The Commission may place the Institution on the At-Risk Reimbursement Program requiring submission of eligibility documentation (i.e., academic transcripts, award letter, account ledgers etc.).
  - 4) The Commission may withhold processing of future payment transactions for the Institution until the Institution corrects the underlying finding or issue, which necessitated the corrective measure.
  - 5) The Commission may withhold or stop term advances to the Institution for future terms or academic years.
- B. The Commission will provide the Institution written notice of its intent to impose one of these corrective measures thirty (30) calendar days prior to implementation of such action, unless the egregious nature of the violation of the Agreement warrants that the Commission take immediate action to protect State funds. In that case, the Commission may take immediate action to stop any further transfer of State funds to the Institution during the pendency of any appeal by the Institution.
- C.
