1 STUDENTS WITH DEPENDENT CHILDREN

Lesson Objectives:

- Identify how a student is preliminarily selected for and notified of the SWD access award.
- Identify how a student self-certifies eligibility for the SWD access award in WebGrants 4 Students.
- Explain what a student must do if selected to verify eligibility for the SWD access award.

1.1 Selection for SWD Access Award

The screenshot shows the 'Does Student Have Dependents?' form in the FAFSA system. At the top, a progress bar indicates the following steps: Student Demographics (checked), School Selection (checked), Dependency Status (active), Parent Demographics, Parent Financials, Student Financials, Sign & Submit, and Confirmation. The 'STUDENT INFORMATION' section contains two questions:

Do you now have or will you have children who will receive more than half of their support from you between July 1, 2020 and June 30, 2021?
 Yes No

Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2021?
 Yes No

Navigation buttons for 'PREVIOUS' and 'NEXT' are located at the bottom right of the form. Footer text includes 'Site Last Updated: Sunday, November 17, 2019', 'Download Adobe Reader', and '©2010 fafsa.gov. All rights reserved.'

2. To be considered for the award a student must be able to answer 'yes' to this question (Figure 1).	Answer 'Yes' to referenced question
3.	The student must complete, sign, and submit the application, preferably by March 2 but no later than September 2 for California Community College students.	Sign and submit application

WebGrants 4 Students: Students with Dependent Children (SWD)

Step	Description	Action
1.	It is recommended that the student then creates and/or logs into their WebGrants 4 Students account about a week after submitting their FAFSA/CADAA so the information from their application can process into our system.	Login or create a WebGrants 4 Students account
2.	Once the student logs in they will be presented with the 'Confirmation of Student with Dependent Children' pop-up (Figure 2). This box generated because the student indicated that they had a dependent child on their FAFSA/CADAA. To confirm eligibility for this award the student must be able to answer 'Yes, I do', then they must read over and check the 'Student Certification' disclaimer and submit.	Student must select an option and submit if prompted or their status will be incomplete
3.	Note: If a student attending a California Community College self certifies as being eligible for SWD, and has a 'Cal Grant A', the student's award will be active.	'NA'
4.	Note: If a student 'self-certifies' incorrectly, they must contact the California Student Aid Commission for an 'appeal' or 'override' of their initial 'self-certification'.	'NA'

1.2.1 Key Points

- The student must self-certify whether they do or do not have dependents 'under the age of 18 by July 1, of the corresponding award year' in Web Grants 4 Students. If a student does not complete the certification, their award status will remain in an 'incomplete' status and the student will not be awarded.

WebGrants 4 Students: Students with Dependent Children (SWD)

Step	Description	Action
1.	There is no special selection for 'Students with Dependents' verification. If a student is selected for verification, they will be notified by their college's financial aid department. This notification can come through a multitude of avenues and so it is important for the student to check their email address(es), mail, and college financial aid portal (Figure 3). Please note that a college's financial aid portal is not the same as WebGrants 4 Students.	Check email, mail, and college portals regularly
2.	The college financial aid office may ask for additional documents deemed necessary in determining the validity of the claim made by the student of having 'dependents under the age of 18.' If asked for additional documentation it is important for the student to respond to their financial aid office promptly. Until this step is completed, the student's award will be placed on hold by the school.	Students must provide requested documents promptly

1.3.1 Key Points

- Students should check emails promptly.
- Students must promptly submit requested forms and documentation as requested.
- Student's college portal is not the same thing as their WebGrants 4 Students page.
